A mobile app interface for adding a payment method. The screen is titled "Add your payment methods" with a subtitle "This card will only be charged when you place an order." Below the title, there is a card number input field containing "4343 4343 4343 4343". Below the card number, there are two input fields: "MM/YY" and "CVC". At the bottom, there are two buttons: "ADD CARD" and "SCAN CARD".
